Giffords Circus
(3 May - 29 September 2019)

Roll up, roll in to the stately pleasure-dome for miracles, song, symphony and enchantment. Musicians, horses, clowns and tumblers enfolded in this joyful paradise, with music loud and long - the Giffords Circus caravan will be taking to the road for a 2019 summer of love.

It is midsummer 1973 in Hyde Park and the flower power movement is at its height. Hippies, hipsters, rock stars, musicians, wild women and global nomads with Shamanic horses gather to play, sing, dance, protest and perform. Policemen and a family of out-of-towners get caught up in the celebrations. Will they get in the groove? As evening approaches, the ever more chaotic event career towards a joyful, transcendental finale. Be there or be square!
